- Envelope Template

1. Print or measure the Envelope Template on the Kraft Cardstock. Cut out and fold on dashed / scored lines. Next, assemble the envelope using adhesive.

2. Stamp sentiment from the Falling Leaves Stamp Set onto the Very Vanilla Cardstock using the Dusty Durango Stamp Pad. Next, using the Designer Label Punch, punch sentiment out.

<p>3. Stamp a Leaf from the Falling Leaves Stamp Set onto the Very Vanilla Cardstock using the Mellow Moss Stamp Pad and cut out.</p>	
<p>4. Using another Leaf from the Falling Leaves Stamp Set, stamp randomly in Dusty Durango Stamp Pad on the Dusty Durango Cardstock.</p>	
<p>5. Tear the top and bottom of the Dusty Durango Cardstock randomly and roll the edges to make them look worn.</p>	
<p>6. Using the Crop-A-Dile, punch two (2) holes on the front of the card (Kraft Cardstock), close to the folded edge.</p>	
<p>7. Attach the Dusty Durango Cardstock to the front of the card between the holes just punched, using adhesive.</p>	

<p>8. Attach Envelope to the Dusty Durango Cardstock using adhesive.</p>	
<p>9. Using Stampin' Deminsionals, attach the punched sentiment and the cut out leaf to the Envelope.</p>	
<p>10. Place the Vintage Brads through the holes loosely. You will tighten them after the next step.</p>	
<p>11. Wrap the Natural Hemp Twine around each brad and tie in the middle and tighten brads.</p>
