- Candy of your choice

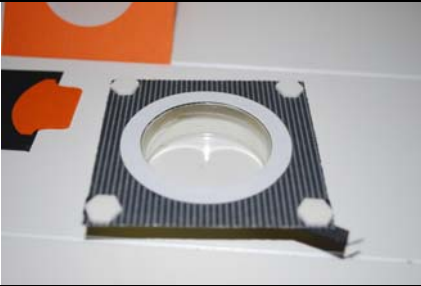

1. Fold Pumpkin Pie Cardstock in half at score. This will become your base card.

2. Line up Cast A Spell DSP piece with the Pumpkin Pie Cardstock. You want it to be centered. Next using the 1 3/4" Circle Punch, punch through both pieces.

<p>3. Place adhesive on the back side of the Cast A Spell DSP piece around the circle. This will allow the Sweet Treat Cup to stick. This will become your top card.</p>	
<p>4. Push the Sweet Treat Cup through the opening so the cup is sticking out on top.</p>	
<p>5. Using the Round Tab Punch, punch out the tab on Pumpkin Pie Cardstock. Fold in half and adhere to the Basic Black Neutrals Cardstock. This will become your slider card.</p>	
<p>6. Wrap the 3 1/4" piece of Basic Black Grosgrain Ribbon around the bottom of the of the top sheet and adhere. Using the other piece of ribbon, tie a knot.</p>	
<p>7. Place a Stampin' Dimensional in each of the corners of the top card on the back.</p>	
<p>8. Lay the slider card over the back of the top card to make sure it clears the Stampin' Dimensionals and can easily be moved back and forth.</p>	

9. Attach top card to base card, making sure to line up the circles.

10. Fill the Sweet Treat Cup with candy.

11. Slide the slider card between the base card and the top card.

12. Attach Whisper White Cardstock to inside of card.

13. Using the Batty For You stamp set, stamp image on Whisper White Cardstock.
